

The team at Professionals Victor Harbor are helping the Salvation Army collect for Christmas to help local families.

Each year The Salvation Army runs our Christmas Cheer Program to help people in the local community who may be struggling to be able to enjoy the festive season with family and friends.

Last year the Salvation Army assisted over 250 individuals in the local community, but we wouldn't be able to reach so many people without the help of the generous donations we receive each year from the general public and local businesses.

We assist with food and toy hampers so any donations of non-perishable food items or gifts for children for Christmas day would be greatly appreciated.

Thank you for supporting your local community at this very special time of year.

Please read further pages for ideas on what to donate.
